The above docket of the Supdt was not signed and the Bl Records in the meantime have been able to trace out the references. In both cases referred to by the petitioner, the service as Havildar has been treated as superior, Krishnappa having been granted a pension of Rs 20/- p.m. and Subbiaya of Rs 10/- p.m.. The ground for treating service as Havildar as superior, appears to be that the appointment under the former administration was not only of some importance and responsibility but implied some degree of Education. If the same view be taken of the appointment even now, the service of Havildars may be treated as superior.

Respected Sir

I, S. Venkata chary Harikar, Dewan's Office, beg to state that I have put in 42 years service in the Mysore Government and have not taken any long leave hitherto. All of a sudden I was informed last month that I am to be retired from service. I have got a large family to support with no other income to depend upon. Besides I have to pay to Government house-building advance and site value to the extent of Rs 2000/. As sudden retirement will cause much inconvenience and trouble to my family, I humbly request your honour that you would be kind enough to grant me 8 months privilege leave preparatory to my retirement.

I beg to remain,

Respected Sir.

Your most obedient and humble servant.

Respected Sir,

I, the undersigned, beg to state that no orders have yet been passed on my application for 3 months privilege leave preparatory to retirement.

I have done more than 40 years service and served in the Chief Court for 24 years. When I was taken to the Dewan's Office I was there as a Reader which is superior service. Besides, the services of Subbiah and Krishnappa who were in the Residency Branch of the Dewan's Office as Harikar, have been considered as superior.

Under such circumstances, I humbly

humbly request that early orders may be passed in my case.

I beg to remain,
